Pesaro, 28 August 2015

ITALIAN CHAMPIONSHIP OF ORNITOLOGY F.O.I. " PESARO 2015" - 12/20 DECEMBER 2015

Dear company,

we would like to remind you the most important event of the year for the our national ornithology: the "Italian championship of Ornithology F.O.I."

This year the Italian F.O.I. will be held in Pesaro under the management of the Breeders Association of Pesaro and both for me that I represent this association and for the all 174 members it is a source of pride and great pleasure to be part of the organizers of the event which will have a double celebration, the 50th Championship F.O.I. and the 40th year of life of our association.

We have been working in organizing this event for months, trying to take care of every little detail and about the most attractive section, the commercial one, we inform you that it will be set up one large area dedicated to trade and to exchange where both companies and breeders will find place together, hoping in this way to create a better turnout for the benefit of all companies, traders and farmers, offering to visitors everything that may be interested in.

The event will extend in three exhibition halls in Pesaro fair Centre and for companies that exhibit products we'll provide space on the wall or single islands. The surface, provided by the committee, will be "not prepared or equipped" and at the registration time you can choose, in addition to space dimension, the preference of one free side (front) rather than two, or three, or an island solution. If necessary we can put you in touch with local companies that deal with trade fair stands. Spaces will be assigned in order of reservations' arrival (checking bank transfer's date) but if you have preference for position, the responsible staff will be at your disposal to find together the best solution.

Besides the space at the fair, we invite you to also to book a space for your advertising on the charts catalogue that will be printed and distributed to exhibitors and visitors.

For companies that adhere to the advertising space in the catalog, the Committee will provide additional visibility with banner or logo on the Event website www.pesaro2015.it, site where you can find the information you need to participate: plan with the layout of the stands, regulations, hotel information, awards, charts etc.

Thanking for your attention, we hope to see you among the participants of the fiftieth Italian championship of ornithology in our beautiful seaside city: Pesaro

Pesaro 2015 Committee
